Subject            Publicity of new operation launch  
Attention         President  
                         The Stock Exchange of Thailand

ATP30 Public Company Limited (“the Company”) has agreed to make a shuttle service contract with Onnut Land Company Limited in order to serve the customers of HABITO’s mall and the residents living in the T77 project condominium located at Sukhumvit 77 en route to Onnut BTS station. Of which, the length of service agreement is made in five-year term.

Despite the fact that such service contrasts our business regular’s operation in terms of scope of work which originally providing solely shuttle services around industrial estates, however, we deems that our resources, skills, experience and expertise in providing transportation is adequate to deliver excellent services in the brand new business line.

Please be informed accordingly

Yours sincerely  
ATP30 Public Company Limited
